17 WAIVER AND DAMAGE DEPOSIT

All participants must sign a waiver form. All skippers will be required to provide a \$500 damage deposit prior to the start of racing by providing credit card information or NYYC member number at registration. The deposit is a per-incident maximum. If a skipper has more than one incident, he or she is then liable for up to \$500 for each individual incident. Skippers should be aware that while the Team Race Representative or Waterfront Staff will attempt to identify all damage at the post-regatta inspection, often this is not possible due to the nature of the damage. The skipper is responsible for all damage, even if it is discovered only after the post-regatta report is completed and signed. In the event that there is material damage not covered by insurance and no one acknowledges responsibility (e.g., crews are rotated among the boats and no one reports the damage), the cost of repairs will be charged to all the designated skippers on a pro rated basis.
