June 25, 2004

Dear Members of the New York Yacht Club,

The summer season of 2004 at Harbour Court is upon us. We are looking forward to a summer filled with excitement, great activities and a full sailing calendar. As you know, having such a full sailing calendar brings back the annual problem of parking.

Due to limitations on space and a multitude of events **LONG TERM OR OVERNIGHT PARKING** is prohibited. Overnight parking is only permitted for members or guests staying at Harbour Court or members who have an overnight mooring. Members will receive a permit to be kept on the dashboard of your vehicle at check in. There is a low cost alternative available at Fort Adams. Seasonal Permits are \$35.00 for Residents and \$70.00 for non-residents. Additionally, overnight parking is \$3.00 for residents and \$6.00 for non-residents.

Please understand that any vehicles left overnight that do not belong to overnight guests may need to be relocated at the owner's expense if it's location impedes on another event. We will make every effort to contact you prior to your vehicle being relocated.

We understand the parking situation at Harbour Court is difficult and sometimes frustrating. Harbour Court will offer regular directed parking and for all large events valet service will be available. Please follow the parking directions given by those parking the vehicles as they have systems in place for the flow and location of all cars.

Thank you for your patience and understanding. We are looking forward to a great 2004 summer season at the New York Yacht Club at Harbour Court.

Sincerely,

New York Yacht Club Management
