

151st NYYC Annual Regatta

June 10-12, 2005

AMENDMENT #3

RATINGS & CERTIFICATES

1. IRC

In accordance with NoR 2(a)(2) ELIGIBILITY AND CLASSES, the Race Committee is waiving the requirement for endorsement for the following IRC boats. After consultation with US-IRC, we have assigned the ratings shown rather than exclude them from the regatta. These boats shall not exceed the crew number limitations in IRC Rule 27.4.3 that would be indicated on their endorsed certificate.

Boat Name	Design	Sail #	IRC rating
BULLY	BLT50	43777	1.230
SFORZANDO	TRL45	50974	1.180

- a) BULLY is assigned the provisional IRC rating above and is not eligible for any prizes.
- b) SFORZANDO has submitted an unendorsed IRC certificate with a rating of 1.180. If an endorsed IRC certificate is submitted prior to racing on Friday, the endorsed rating will be used for all racing. If an endorsed certificate is submitted prior to racing on Saturday, the endorsed rating will be used for the TWO-DAY series only; however, the unendorsed rating of 1.180 would be used in the Around-the-Island Race on Friday, June 10. If the unendorsed rating is used, SFORZANDO is not eligible for any prizes in those races.
