

Southwest Florida Air & Ground Transportation

Air

Daily air service to southwest Florida is offered to:

Ft. Myers Southwest Florida International Airport by 11 airlines;

Sarasota/ Bradenton International Airport by 4 airlines;

Tampa International Airport by 13 airlines.

Our April 13th rendezvous location is Gasparilla Island, a 75-minute drive from the airports in both Ft. Myers and Sarasota/Bradenton. Ft Myers Airport is closest to Captiva Island, Ft. Myers, and Naples. Tampa Airport is nearest yacht charter companies in St Petersburg. Car rentals are available at these airports.

Seaplane

Direct air access is available from the Boca Grande Seaplane/Air Taxi, the Gasparilla Inn & Club's charter service to airports in Ft. Myers, Tampa, Ft. Lauderdale and Miami. Eliminating travel by car, a seaplane is available for up to three passengers. Air taxi reservations can be made through the Gasparilla Inn & Club's Concierge 941.964.4580 or, directly from Boca Grande Seaplane / Air Taxi at 941-964-0234 (US only) or 800-940-0234.

Private airport

Coral Creek Airport in Placida Fl is a private airport five miles from Gasparilla Island. With prior arrangements this airport can be used by non-members. Additional information is available from Daniela Burton.

Automobile

For those choosing automobile travel, southwest Florida can be a pleasant trip on Interstate highways and local roads.
