NOTICE TO COMEPITORS #1

Regarding crew positioning, sailing with or without the gennaker, the Class Rule C.2.4(e)(2) e C.2.4(f)(2) say: while seated on the deck shall have the base of their spine on the deck and inboard of the backsider anti hiking pad at all times.

The “anti hiking pad” goes from the aft stanchion to the forward stanchion; it means that to lean or to hike in front the foremost stanchion is NOT admitted.
